

# Wifi for employees and students

## Step by step guide - android

**Eduroam** (Edu-cation roam-ing) is a world-wide project to provide wireless access to students, researchers and university staff. These users have wireless internet access in all participating organisations, without the need to reconfigure their devices.

Network name (SSID)

**eduroam**

Login

**PESEL@uw.edu.pl**

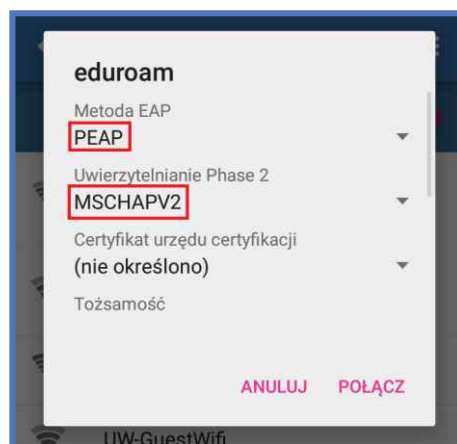

Password

**same as in USOSweb.**

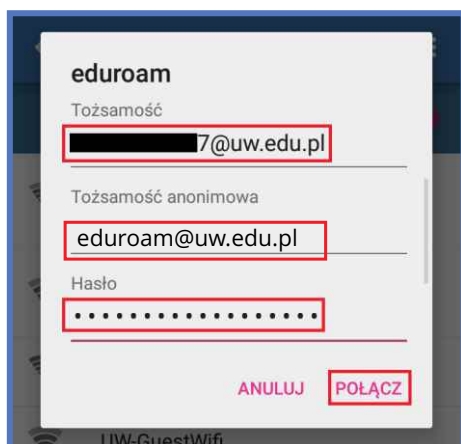

**Important: Change your password before first log**

1. From list of available wifi networks select "eduroam".

2. In the new window, select the appropriate settings – PEAP and MSCHAPv2.

Enter your login as PESEL@uw.edu.pl.  
Set the anonymous identity as eduroam@uw.edu.pl,  
enter your password and click "connect"

4. After a while connection to the eduroam network should be established.
